**RE:** EMT Certification CE Requirements

The EMS Agency has noticed an increase in the number of EMTs bringing in CE certificates for classes that do not meet EMS CE Training guidelines.

Please advise all EMS personnel that CEs to be used for EMT certification requirements must be related to the ***practice of prehospital medicine***.

Specific CE information is available in our CE provider guide located on our website [www.sloemsa.org](http://www.sloemsa.org).

If you have any questions about whether a class meets requirements please contact Vicci Stone [vstone@sloemsa.org](mailto:vstone@sloemsa.org) or 546-8728 #10.
